EVALUATOR ACADEMY/EVALUATOR RE-CALIBRATION TRAINING:

Participants for an Evaluator Academy or Evaluator Re-calibration training will have an account established on Calibration & Collaboration (C&C), formerly MLP Elevate. They will be provided a username and password in order to access training and calibration plans. A Calibration Assessment on a Master-coded Video will be made available on the final day(s) of the training. Submissions will be scored by a trained Reviewer. An Evaluator Report will be generated based on the results and sent directly to participants.

Evaluator/Re-calibration Training Minimum: Districts will be charged for a minimum of 8 participants for an Evaluator training in the event that fewer than 8 participants attend. Districts are encouraged to work with their BOCES or collaborate with other districts in order to meet the required minimum number of participants.

EVALUATOR REFRESHER TRAINING:

Evaluator Refresher training does not include a Calibration Assessment on C&C nor will an Evaluator Report be provided. Pricing for Evaluator Refresher training is for a full day only.

The maximum number of participants for Evaluator Refresher training is 35 or 40 in a virtual seminar. If there are more than 35/40 participants in a training, the sponsoring agency will be billed an additional cost of \$20 per participant.

POLICIES AND PROCEDURES:

Cancellation Policy: If the sponsoring agency cancels the training less than five business days prior to the scheduled date, the sponsoring agency will be charged a cancellation fee. Exceptions for weather-related or technology issues (i.e. Zoom or Google system down indicated by company) cancellations should be discussed directly with ELT at 1-800-528-6208.

Training Facilities: For Site- Based Training - facilities must include meeting room space with moveable chairs and tables. ELT discourages the use of cafeterias or auditoriums for trainings. Material and equipment requests include a laptop, projector and screen, chart paper and wireless Internet capability. Technical assistance must be available throughout the training to maintain Internet connectivity with sufficient bandwidth to support online activities throughout the training.

Continuing Teacher Leader Education (CTLE) Hours: In compliance with New York State Education Department, ELT has been approved as a sponsor to provide professional learning for CTLE hours. When ELT is working as an independent consultant on behalf of Districts and BOCES, it is up to the District/BOCES, not ELT, to maintain a record of those who attend CTLE activities as well as providing a certificate of completion with their CTLE sponsor identification number.
